Chapter 1

Grid-based headings

This is the text following a chapter heading. The grid step is fourteen points.

1.1 Section

This is the text following the section heading.

1.1.1 Subsection

This is the text following the subsection heading.

Subsubsection

This is the text following the subsubsection heading.

Paragraph heading

The paragraph text follows the heading.

Subparagraph heading

This is the text following the subparagraph heading.

The grid is locally disabled inside this group. After the closing brace, the previous settings are restored.

1.2 Grid temporarily disabled

This section is typeset while grid automation is locally disabled.
